Your responses must consist of paragraphs. Marks will ONLY be allocated for responses written in full sentences.

**QUESTION 4**

Read the extract below and answer the questions that follow.

**ARE MUNICIPALITIES SPENDING MONEY PROPERLY?**

Municipalities are not only responsible for basic services, but they also have a social responsibility towards their local communities. Recent statistics show that 92% of municipalities in South Africa are mismanaging public funds through fraud and corruption.

It is important for citizens to know how municipalities are spending the money that is allocated for community services. Communities should have a say in how financial and other resources are spent within local government.
