ACTIVITY 6: WORLD OF WORK

MEMORANDUM (20 MARKS)

Use the following as marking guidelines

1. What career would you advise Mandla to follow and why? (2)

A career in drama/ performing arts because drama/acting falls under his interests and abilities/talents. ✓✓ (Any suitable career for one mark and explanation for one mark)

2. Which option would you advise him to follow in order to further his studies? (1)

Enrolling at a drama college or enrolling at a university (such as the University of Pretoria) for the School of the Arts Drama Programme. ✓ (Any suitable answer for one mark).

3. Will it be a good idea for Mandla to become a doctor? Give a reason. (2)

No ✓ He is not good in Maths, Science and Life Science. In order to become a doctor, one has to do well in these subjects ✓

4. Identify at least 10 countries that have been affected by the corona virus. (10)

More than 200 countries and territories are currently affected by the virus. For this reason, only ten countries that have been heavily affected will be mentioned for the purpose of this memorandum. USA ✓, Russia ✓, Spain ✓, Brazil ✓, UK ✓, Italy ✓, France ✓, Germany ✓, China ✓, South Africa. ✓ (One mark per country)

5. Is the spread of the corona virus representing an epidemic or pandemic?

Substantiate your answer. (3)

A pandemic ✓ Because the disease has spread to multiple countries around the world. ✓✓

6. Could the corona virus be classified as a lifestyle disease? Give a reason for your answer (2)

No ✓ Because a lifestyle disease is associated with a way people live their lives. The Coronavirus is rather a disease caused by a virus. ✓
