21 January 2021

Dear Gr.12 Parent/Guardian

I hope that you are well and that you have enjoyed the festive season. We wish you all of the best for 2021. May God bless this school and its people in 2021 amidst many uncertainties.

The level 3 lockdown resulted in the cancellation of all athletic events that were due to take place during the first term. All parent evenings as well as the prize giving function have been postponed until further notice.

Although learners will only return to school on 15 February, we will proceed with the handing out of textbooks and notes from next week. Please ensure that the correct amount has been paid because the proof of payment must be produced when books are being collected – refer to <https://news.hselspark.co.za/wp/stationery-lists-for-2021/> The amount payable is to be determined according to the subjects taken by the learner. If payment have not yet been made, the **tear-off slip** below must be filled in, signed and sent with the learner.

COLLECTIONS:

Grade 12 learners are to collect their textbooks/workbooks/notes on 27 January from 7:30 to 9:30 in the school hall. PLEASE NOTE: No grade 12 learner will be excused on Wednesday 27 January, except in cases of emergency and in which case Mrs. Du Preez must be notified immediately.

Grade 12 learners will then start with work in all their subjects on WhatsApp groups. Parents are asked to motivate learners. If they do not start working diligently from next week, they will fall behind and play the catch-up game for the rest of the year. No grade 12 learner can afford to fall behind and thereby jeopardise their chances of a good National Senior Certificate. We wish our Grade 12's all of the best for a very challenging year ahead.

Please contact us for any further queries.

Kind Regards

J.H. van Niekerk
Principal
