14 September 2021

Dear Grade 12 Parent/Guardian

Matric Farewell News

- After the President announced on Sunday that we can now allow 250 people per venue, it is again possible to continue with the Matric Farewell.
- The original date of 30 September was cancelled for three reasons:
 1. We did not know whether the lockdown regulations would ease.
 2. The Preparatory Examination Timetable was amended so that the Geography paper is now to be written on 01 October.
 3. Payments of the R650.00 per learner did not come in as they should have – partly due to uncertainty caused by points 1 and 2 above. (The closing date for payment has now been moved to 01 October.)
- After a meeting with all the matriculants yesterday, it was decided that the only date that suits both the matriculants and Riverside Country Estate is the 21st of October.
- Thereafter, the matriculants have no exam paper until 01 November.
- The booking at Riverside Country Estate can be moved to 21 October without prejudice to the deposit.
- All matriculants who still want to attend must see Mr. R Erasmus before the end of the week to make arrangement for payment. The final date on which everyone's R650.00 must be paid is 01 October.
- We look forward to having as many matriculants there as possible.

Regards,

J.H. van Niekerk
Principal
