Circular 1 of Term 3

Dear Parent/Guardian

Welcome to term 3. I hope that we all could take some time off during the school holiday to rest and spend time with our families.

Just a few important issues that needs our attention at the beginning of the term:

1. REPORTS AND PARENT EVENINGS:

- 1.1. Grade 12 parent evening will take place on Monday from 18:00. All grade 12 reports must be collected by parents at the parent evening. Important information regarding the Preliminary exams will be shared.
- 1.2. Grade 8-11 reports for learners who passed will be handed out to learners on Monday during school hours. Parents can come and see any subject educator on Tuesday from 18:00 where necessary.
- 1.3. Grade 8-11 reports for learners who failed must be collected by parents at the grade 8-11 parents evening on Tuesday from 18:00.

2. REVUE

Ticket sales for our revue opened today. Tickets are available at R50 each for 31 July to 2 August. The gala evening which include eats and drinks, will be on Friday 4 August at R100 per ticket. All shows will start at 18:30.

3. ABSENTEEISM AND LATE COMING

- 3.1. We had 397 learners today who were either absent or late with only 6 excuses received. This is totally unacceptable.
- 3.2. All transport arrangements must accommodate the fact that learners need to be inside the School premises by 7:20.
- 3.3. Gates will be locked at 7:30 in accordance with the School Code of Conduct. Learners will only be allowed after 7:30 when accompanied by a parent/guardian.
- 3.4. Thank you to all parents and learners for your cooperation in this regard.

Kind regards

J.H. van Niekerk
